### INDEX TO BLACK AND WHITE PHOTOGRAPHS

Jet Lowe, photographer, 2009

- |          |  |
|----------|--|
| IL-197-1 | View looking south-southwest, just across channel from Controlling Works.  |
| IL-197-2 | Looking south-southwest along canal with grain elevators. Taken from just south of 9th Street Bridge.  |
| IL-197-3 | View of canal, looking south.  |
| IL-197-4 | Remnant of 16th Street Bridge abutment in canal wall in foreground. View of canal, looking south.  |
| IL-197-5 | View of canal, looking south. Note widening of canal as it approaches Lockport Lock, Dam, and Powerhouse.  |
| IL-197-6 | View of Illinois Waterway, Lockport Lock to left, original Lockport Lock in center, and Powerhouse to right. Looking southwest.  |
| IL-197-7 | Monument consisting of S. Morgan Smith vertical turbine impeller on access road to Lockport Powerhouse paralleling the canal. According to the plaque on the base, the monument was erected by the canal's Board of Commissioners to honor the Metropolitan Water Reclamation District's preservation of the environment through the generation of hydro-electric power. |
| IL-197-8 | Monument detail.   |

CHICAGO SANITARY AND SHIP CANAL

HAER IL-197

INDEX TO PHOTOGRAPHS

IL-197-9	Northern end of Lockport Powerhouse, with trash rack.
IL-197-10	View of south tailrace of original Lockport Lock.
